about

Tuan (or Tuan Em) is a digital designer with a passion for crafting 2D and 3D visuals, graphics design, and motion editing. With other skillsets of UX/UI, sound design, VJ/DJ, screen printing, VFX, etc. and a will to learn, he aims to create thought-provoking works in art and design. He is also in a collective called [@nhungcaigoc](#), working freelance.

work experiences

Geely x Chi Pu - Microwave Soup - 03/25

Event - Visual Artist, 3D Motion Designer

Work in the visual team to create visual LEDs for Geely's launch event. Create 3D motion to match the beat of the song.
