## about

Tuan (or Tuan Em) is a digital designer with a passion for crafting 2D & 3D graphics, along with motion & video editing. With other skillsets of UX/UI, graphic & sound design, VJing/DJing, VFX, etc. & a willingness to learn, he aims to create thought-provoking works in art & design. He is also in a small visual collective called [@nhungcaigoc](#) working freelance.

## work experiences

### VinA/V (01) - Vietnam Media Lab - 02/25

*Event - Visual Artist, VJ*

Creating visuals in a team to enhance the DJ's performance and demonstrate the event and the visual collective's spirit.
